

Assigned OIDs for ObjectClasses

 Do not edit this page if you need to assign one or more OIDs for custom object types. Please use the process described in [OpenIDM Assigned OIDs](#) to request OIDs for schema elements.

The base OID for object classes in the OpenIDM project is "1.3.6.1.4.1.36733.2.3.2". All of the values listed here are below that base OID.
