

ForgeRock IDM Roadmap

Disclaimer

The roadmap represents ForgeRock's current view of its product development cycle and future directions. It is intended for information purposes only, and should not be interpreted as a commitment on the part of ForgeRock. ForgeRock makes no warranties, expressed or implied, on future functionality and timeline.

ForgeRock is committed to deliver a roadmap that is as open and accurate as possible to enable you to plan future development, migration or upgrade projects. Our customers and community members influence the product direction therefore we strongly encourage the contribution of ideas or requests for new features through the [Wish List](#) or by logging an RFE in [Bugster](#).
